## 2008 EDUCATION POLICY FORUMS FOR LEGISLATIVE AND LOCAL SCHOOL BOARD CANDIDATES

Education has become the centerpiece of many political platforms and agendas at the local, state and national levels. The Education Policy Forums, sponsored by the Georgia Partnership for Excellence in Education and the Georgia School Boards Association, will provide a non-partisan, accurate view of education in Georgia and of education policy issues participants will be faced with as candidates and as elected policymakers.

**To register for the FREE Policy Forums:** Complete this form, check (✓) the appropriate session and return by fax to the Georgia Partnership office at **404-223-2299**. Or **register online by going to [www.gsba.com](http://www.gsba.com)**. Click the Online Registration button at the bottom left of your screen and then select the forum you wish to attend. The first portion of each session will be devoted to a general overview of education policy issues. The final portion will focus on the roles, responsibilities and issues specific to school board members.

*“As a current high school teacher, I thought I had a clear understanding of the public education process. The Education Policy Forum was an eye opener! Believe me, this is a very complex subject and this session provided expert insight that I could never get anywhere else. The knowledge gained here will allow me to make more informed education-related decisions.”*
